

Color, Cut, & Play

Color the cat and each mitten. Be sure that the mittens with the same design are the same color so they match. Cut out the mitten cards and the cat.

To play: Mix up with mitten cards. Without peeking at the design, hide 1 mitten square under the cat. Now lay the mittens, design side down, in a grid. Take turns flipping the cards over and trying to find the matching mitten. When there is one mitten left, sing the rhyme and reveal the mitten under the cat.

**A kitten, a mitten,
A smitten little kitten
Just sittin' on a cozy mitten
Looking for its partner.**
